

TRACK CHIPPER

Model	ZA350-B2-AS-TL1-C
Max chippable diameter	120 mm
Engine	B&S Vanguard 23 HP, V-Twin, gasoline
Engine start system	Electric
Engine cooling	Air
Gasoline tank	Intergrated, 8,5 Liters
Hydraulic tank	With filter and manometer, 12 Liters
Anti-stress system	Yes, with hour meter
Engine-chipping drum transmission	Double belt with centrifugal clutch
Chipping system	Drum rotor, 2+2 knives + fixed counterknife
Knife type	Core hardened steel
Chippin system width	335 mm
Feeding roller	Hydraulic driven, 190 mm diameter
Hopper dimensions at chipping point	335 mm x 270 mm
Hopper dimensions	960 mm x 425 mm
Discharge type	360° movable discharge curve
Moving system	On track, hydraulic driven
Track width	900 mm
Track lenght	1050 mm
Weight	About 550 Kg
Working dimensions	2900 mm X 1090 mm H 1960 mm
Temporary moving dimensions	2400 mm X 1090 mm H 1960 mm
Transport dimensions	1750 mm X 1090 mm H 1960 mm
OPTIONAL _ Sieve	Yes, 25mm wide
OPTIONAL _ Raised discharge curve	Yes
